

*Materials List for Pastel Painting and Drawing*

Instructor: Linda Wolitz

- 18"x24" newsprint pad
- Drawing board, 18"x24" preferred - the kind with carrying handle cut into it and clips is preferred if you don't already have a board
- A selection of drawing pencils, from F to 5B or 6B should be enough
- Sharpener for pencils
- Kneaded eraser
- Charcoal sticks
- Large inexpensive brush for erasing

For experienced students now, and all students later, you will need:

- Nu-pastel brand portrait or landscape set of pastels (at least 24 color sticks)
- For portraits - a few Conte or Carb-Othello brand pastel pencils in flesh and browns are nice but not essential
- Canson pastel paper - I have a supply of grays at low cost
